HIGHER SECONDARY SCHOOL  
NEWSLETTER**

## Principal's Message

This year, our Annual Day theme on Patriotism was not just a celebration, but also a reminder of the deep responsibility we carry as citizens of our beloved nation, India.

Patriotism is not merely an emotion we display on special days like Independence Day or Republic Day; it is a value that must be nurtured in our hearts every single day. To love our country is to respect its heritage, uphold its values, and contribute positively to its progress.

India, with its rich culture, diversity, and history of sacrifice, calls upon each one of us-teachers, parents, and students -to be responsible citizens. True patriotism lies in small, consistent acts: keeping our environment clean, being honest in our duties, showing respect to others, and striving for excellence in whatever we do.

As we shape young minds in our school, let us inspire them to dream big for their nation and to serve society selflessly. Let us remind our children that the future of India rests in their hands, and with integrity, compassion, and hard work, they can make our country stronger and brighter.

May we continue to instill in our students a love for India that is expressed not just in words, but in meaningful action.

With love and blessings,  
**Nameeta Sarah Kurian**  
Principal

## Editor's Desk

As we wrap up another term, we find ourselves reflecting on the vibrant tapestry of student life at our institution. From the quiet intensity of late-night study sessions to the adrenaline-fueled cheers at sports events, our days are a blend of rigorous academics and enriching extracurriculars. Students aren't just learning theory; they are applying it to real-world issues like ethical tech development, extracurriculars, meanwhile provide the playground for these skills. These activities aren't distractions; they're extensions of learning, fostering creativity, leadership, and resilience.

Looking ahead, let's encourage a culture where participation is celebrated, not sacrificed. Whether you're acing exams or leading a club, remember; Education isn't a zero-sum game. It's about growth in every dimension both in the classroom and beyond.

Mrs. Nameeta Sarah Kurian - Principal  
Mrs. Annie Joyson - Vice Principal  
Mrs. Anita Karali  
Mrs. Florence Flavinia  
Mrs. Sabeena Varghese  
Ms. Sneha Caroline Rubens  
Mr. Shane Williams

# Montessori

Union Christian Matriculation Montessori School is a nurturing environment where children are encouraged to explore, discover and grow at their own pace. Our approach is child centered, and focuses on the unique potential of every learner.

The fitting finale was the stunning thematic fashion show by the students of class 11 and 12 lit up the stage with colour confidence and creativity.

## Story Telling

## Judges

## Prize Distribution

## Garnet house emerged winners of Splash 2025

## ***A Note from the Cultural Secretary***

This year has been nothing short of spectacular With **Splash 2K25!** As the Cultural Secretary, I had the joy of watching our campus come alive with music, dance, the thrilling vogues of fashion, laughter, and endless creativity. The students this year had a lot to offer and gave it their all to make the event a one to remember. Every event - from fests to competitions - proved that talent and teamwork are what truly make our institution shine, students of different classes, juniors, seniors, all came together to make memories and new friendships.

This years Splash was packed with events like The Thematic Fashion Show where students showed off what the world currently craves for which is fashion with unique topics, the tableau, story telling, The humorous tamil skit etc.. These events brought the inner child in everyone and made them crave victory and worked hard for it, as for those who couldn't win, this isn't the end, This is just the beginning for your road of success!

Our stages became platforms of expression, our corridors echoed with excitement, and our hearts connected through the rhythm of togetherness. Culture isn't just about performances; it's about celebrating who we are: our diversity, our unity, and our shared dreams. Let this be one of the many incredible Splashes to come which stay in our memories and hearts.

A big thank you to everyone who participated, supported, and made our cultural events unforgettable. Let's keep the energy high and continue to make every moment count!

**- C. Md. Numair**  
**Cultural Secretary**

# 45<sup>TH</sup> ANNUAL DAY

## CELEBRATIONS

"TOGETHER FOR PEACE,  
TOGETHER WITH OUR NATION"

We were honoured to welcome our alumnus,  
**Mr. Benjamin Karunakaran**  
(IA & AS Officer, IGCAR, Kalpakkam) as Chief Guest.

Principal Mrs. Nameeta Sarah Kurian presented the School Annual Report, highlighting key achievements of the year.

Also present during the function were Vice Principal Mrs. Annie Joyson, Correspondent Mrs. Sheeba Ninan, and esteemed UCA board members.

The evening featured vibrant performances and the felicitation of academic achievers: a true celebration of unity, talent, and national pride!

# CLRI WORKSHOP

Union Christian Matriculation School students participated in the One Day as a Scientist program at CLRI, Adyar.

As part of this exciting initiative, the students had the opportunity to visit various scientific laboratories and gain hands-on exposure to real-world research environments. Highlights of the visit included:

The program sparked curiosity and excitement among the students, giving them a glimpse into the life of a scientist. It was a truly enriching and inspiring experience for all!

Insights into Leather Science and Technology

Magnetic Levitation Demonstration

3D Foot Scanning Technology

# INTER HOUSE SHORT FILM MAKING COMPETITION (BTS)

Quiz Master **Mr. Berty Ashley**

## RAJAN V CHACKO

### Memorial Inter-School Quiz

The 18th edition of the **Rajan V Chacko** Memorial Inter School Quiz hosted by us was held on 25th July. The presence of the ever energetic and fun loving quiz master Berty Ashley kept the audience engaged.

A close finale and Bhavans Rajaji Vidyashram emerged victorious for the 2nd consecutive year. In second was Vidya Mandir, Mylapore. Union Christian Matriculation secured the 3rd place marking it as a first ever win since the quiz's inception.

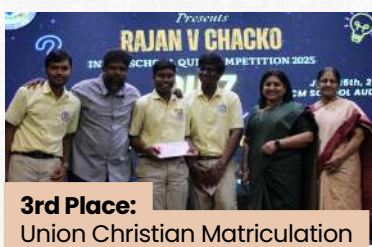

With participation from over 15 schools the quiz proved to be a thrilling and intellectually stimulating one!!

**Winners:**  
Bhavans Rajaji Vidyashram

**2nd Place:** Vidya Mandir

**3rd Place:**  
Union Christian Matriculation

# KIDDIES

## SPORTS DAY

**Dr. Shruthy Rahul**  
Chief Guest

# LKG & UKG REOPENING

# INDEPENDENCE DAY

The Union Christian Schools, Union Christian Matriculation Higher Secondary School and Union Christian Public School jointly celebrated the **79th Independence Day**.

Wishing everyone a **Happy Independence Day!**

# MATHS WEEK

## MATHS DAY : MATHEMATICS FOR A BETTER WORLD

HELD ON  
30.08.2025

### Mathematics Week Celebration at Union Christian Matriculation Higher Secondary School

Mathematics Week was celebrated with great enthusiasm to highlight the subject's relevance in everyday life and foster a positive attitude among students.

The event commenced with a solemn prayer, followed by a warm welcome address by Joel. A melodious welcome song and an elegant Welcome Dance set a joyful tone for the day. A creative video presentation showcased the significance of mathematics, receiving appreciation for its clarity and impactful message.

The highlight of the programme was an inspiring Special Message by the Principal and Correspondent, who emphasized the value of mathematics in academics and life, encouraging students to strive for excellence.

Various engaging activities were conducted across classes:

**Math Quiz Competitions** to enhance logical thinking

**Puzzle Solving & Sudoku Challenges** to develop analytical skills

**Math Model Exhibitions** demonstrating real-life applications

**Chart Presentations** blending math with creativity

**Role Plays & Skits** showcasing the importance of math in daily life

Students participated with great enthusiasm, and winners were awarded prizes.

Teachers supported and motivated students to apply mathematical thinking beyond the classroom. The celebration successfully reinforced the idea that mathematics is a vital life skill. The programme concluded with a heartfelt vote of thanks, marking the event a memorable success.

**Mr. A. Arulselvam**  
HOD, Dept of Mathematics

## TEACHER'S DAY

## ONAM CELEBRATIONS

## ON SAVING SNOW LEOPARDS

On Saving Snow Leopards  
Once I woke, I was shocked  
that I was a snow leopard all alone  
The mountains were so cold and freezing,  
and I was in a dangerous zone!

I didn't know what to do in the mountains  
where it is very cold!  
Some of my friends found a place for us  
As we were getting old!

One of my friends was killed by  
humans so we panicked!  
Then they started to kill everyone  
They were aiming at me, but missed!

We are asking humans to stop  
hunting us for scarves!  
We want freedom to survive  
or things will make us harsh!

- Nathanael Chris S., 5A

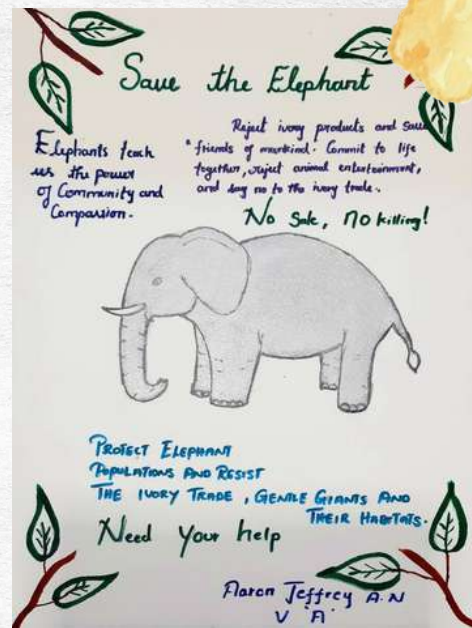

# ELEPHANT

I am an elephant now, with a trunk so long,  
My life is in danger, with a worried song.  
Humans took forests where I used to play,  
Now my home's shrinking, every single day.

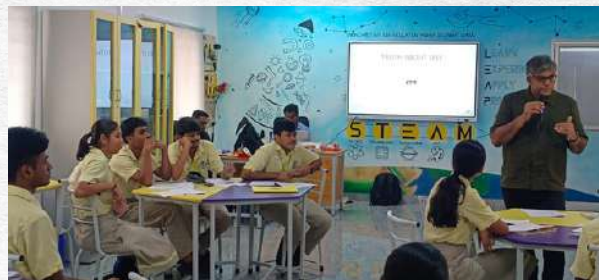

I roam with my herd, with steps so slow  
We search for food, with a danger to go.  
Human actions caused my kind to fade.  
We need their help to survive in our shade.

My message to humans is to care and see,  
Protect our forest, so we elephants can be free.  
Help us survive a peaceful space,  
We elephants need love in this humans' place.

-Aaron Jeffrey A.N., 5-A

## LEADERSHIP PROGRAM

## MAGNUM OPUS

Fashion Show : **2nd Place**  
Dance : **2nd Place**

# PROUD ACHIEVEMENT AT SBOA MAT – MATRYX'25

We are delighted to share that our students participated in the prestigious **MATRYX'25 TECH PULSE** competition hosted by S.B.O.A and competed against 20 other schools.

Our young tech enthusiasts brought home several laurels across categories:

## Category 1: Grades 6–8

### 2nd Place – **UCM's Ultra Bot** (Obstacle-Avoiding Robot)

- Joel – Grade 7
- Sai Janarthanan – Grade 7

### 3rd Place – **ECOSAGA** (Waste Segregation Innovation)

- Nera – Grade 8
- Irene – Grade 8

## Category 2: Grades 9–10\*

### 2nd Place – **Internet Attack** (Cybersecurity Simulation)

- Kenrick – Grade 10
- Paul – Grade 10

### 2nd Place – **ACE ARENA E-Sports**

- Cedric – Grade 12
- Yashwanth Sai – Grade 12
- Arhaan – Grade 12
- Jeblin Sam – Grade 12

We were proud to see the creativity, teamwork, and technical skills displayed by our students.

A special mention to our Tinkering Lab – it's heartening to see that our investment in innovation is yielding great results!
